Due to the wonderful efforts of my cousin John Bartlett (son of Jennie Pelerin Bartlett), and his wife Ellen, we have this extraordinary effort to establish the ancestry of my grandmother, Jennie Leach Pelerin Sturtevant. I can't tell you all what pleasure and delight this has given my children and myself and I wish to pass this on to the rest of the family. We should all thank John and Ellen for their efforts and hard work. I have changed some dates of births and have added dates of death with the help of Mary Sturtevant. If anyone has any additional changes, please notify me. Have fun as you journey into the past.
